

CL 550

Multiple compartment spraying cleaning system.

High-end cleaning system for stencils and misprints!

optimized separation of liquid

effective drying

parallel running of cleaning, rinsing and drying

separate chambers and separate closed loops

Technical Data:

total length:	5300mm	loading handling:	900mm
width:	900mm	unloading handling:	900mm
height:	1375mm +/- 30mm	weight:	750 kg (empty)
		part size:	750x750x40mm
cleaning tank:	75ltr.	exhaust:	1x80mm - 200m ³ /h
rinsing tank:	75ltr.	power:	3x400V / 50Hz / 32A
